

## El Tour de Tucson 2024

### How to Transfer Event Registration

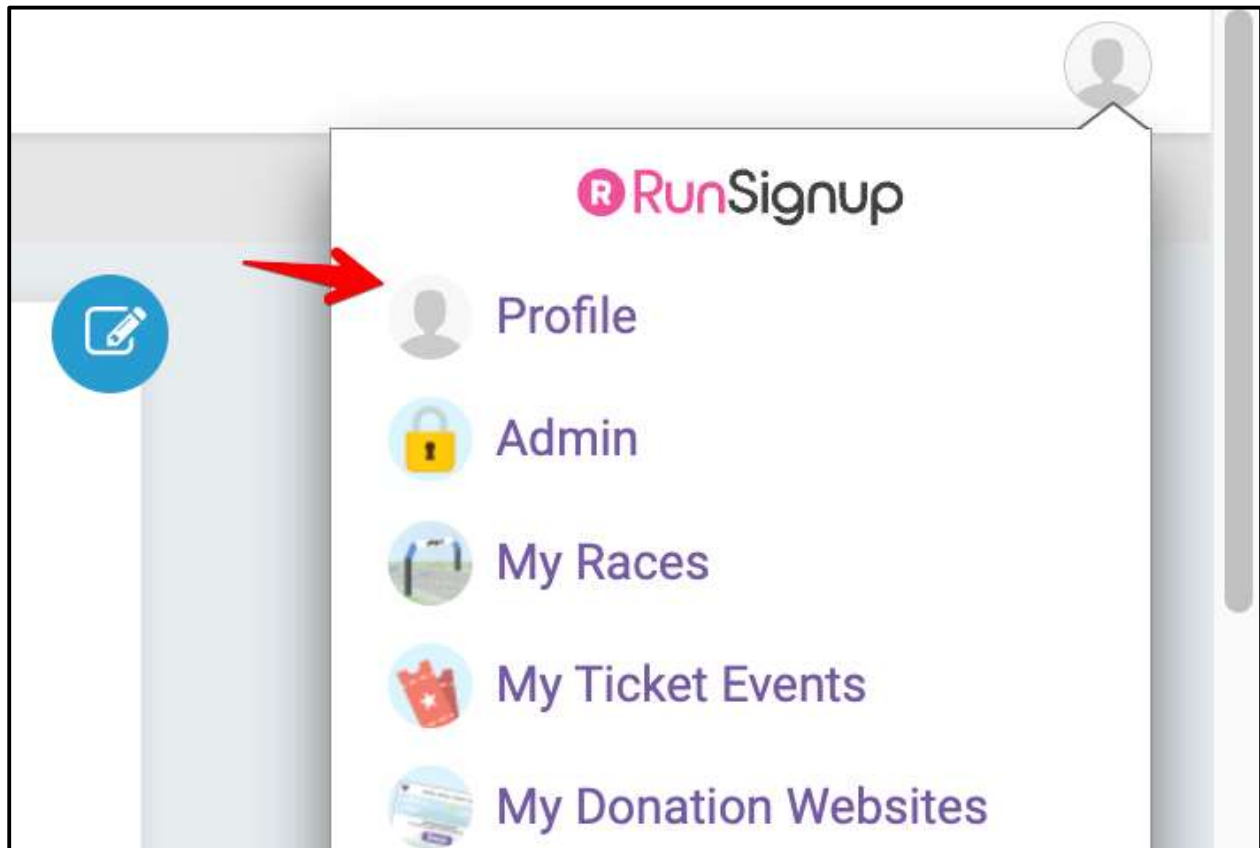

El Tour de Tucson will allow you to switch your distance (transfer event) at no charge up until October 18<sup>th</sup>. For example, if you want to switch from the 102-Mile to the 63-Mile event you can do this at no charge through October 18<sup>th</sup> at 5:00pm MST.

After October 18<sup>th</sup>, there will be a \$25 transfer fee. This is the point where we print bib numbers and assign the tracker chips. Switches/transfers after this point cause us to create a entirely new credential packet.
