

El Tour de Tucson 2026

How to Transfer Event Registration

El Tour de Tucson will allow you to switch your distance (transfer event) at no charge up until October 18th. For example, if you want to switch from the 102-Mile to the 63-Mile event you can do this at no charge through October 18th at 5:00pm MST.

After October 18th, there will be a \$25 transfer fee. This is the point where we print bib numbers and assign the tracker chips. Switches/transfers after this point cause us to create a entirely new credential packet.
